MERCURY

Where's Mercury?

Mission:

Station:

Hidden Station

Hidden Mission

Stationed
w/South Node

Stationed
w/North Node

HUNTERS, GATHERERS & WARRIORS

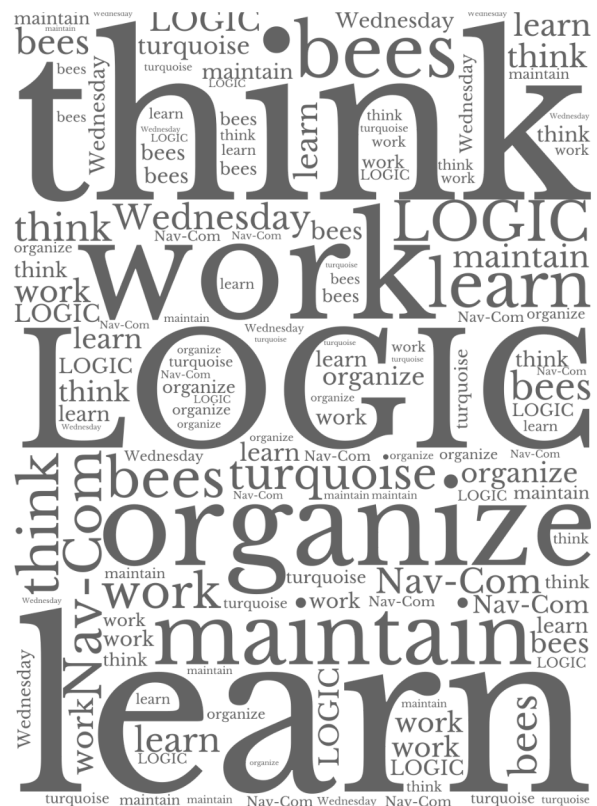

You will need the mindset of a Hunter if Mercury is hidden. Gatherers have everything they need in plain site. If Mercury is with the South Node, you'll need a special strategy, with the North Node, extra courage.

CHARACTER

You will meet many characters on your journey, each with its unique mental and moral qualities. They will guide you in where and how to use these qualities.

- Elemental Clan: Air & Earth
- Energy: Mental & Material
- Nature: Masculine & Feminine
- Tribal Creed: Gemini & Virgo
- Stationmaster: 3-Learn
- Stationmaster: 6-Maintenance
- Counter-Balance: Jupiter

ENERGY SIGNATURE

Just like our personal friendships each carry their own vibe, the same is true for the relationships between the guides of the zodiac.

EASY, BREEZY OR ROUGH & ROCKY???

Find Mercury's friends in your own chart. The type of angle they make to each other will determine the nature of their friendship and help you brainstorm a strategy.

OPPOSITIONS: A SPECIAL NOTE

This is an alternating current of magnetism and repelling that can be quite unnerving. One minute your enamored and the next repulsed. Keep your eye on the prize and take frequent breaks.

NOTES

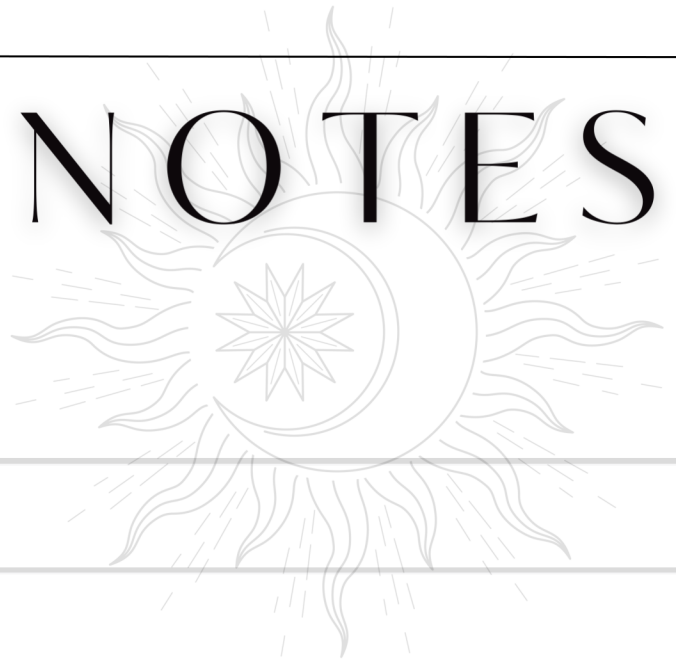

MISSIONS: A BRAINSTORMING TOOL

1. Aries - to lead or pioneer something
2. Taurus - to build or craft something
3. Gemini - to learn, communicate, or navigate something
